SUPERINTENDENT'S MESSAGE

To you, our departing seniors, I wish you the best in life in all your individual endeavors. It is your right, and privilege, to be proud of your class record, both in academics and athletics. You are truly a perfect example of my statement that though we might be small in quantity, we can be a giant in quality.

Again this year, I would like to express my gratitude to the faculty, students, P. T. A. , Booster Club, Board members, and the community at large for their cooperation in our mutual efforts to give Chilton a good school program.

Seniors, come back to see us in future years, our thoughts will be of you and your efforts to become good American citizens.

Mr. George Mabe, Supt.

PRINCIPAL'S MESSAGE

Dear Students and Faculty:

I want to congratulate the entire student body on a very pleasant and productive year. We have had a marvelous spirit of cooperation, both in class and in the activity program. There was a good balance between work and play, which results in an improved overall scholarship record. This was a happy, working, achieving student body.

May I wish each of you the very best for your future. If you approach life with the same fine zest that you showed in school, you are sure to live happily and successfully.

EDITOR'S MESSAGE

In the years to come, though both time and distance will separate most of us, this annual will be the link that takes us back to the memories of our high school days. I sincerely hope that looking through these pages will bring you pleasure.

ANNUAL STAFF

The background is a solid dark color. It features several white geometric elements: a large triangle on the left side, a smaller triangle in the top right corner, and another smaller triangle in the bottom right corner. These triangles are defined by double white outlines. Additionally, there are white lines forming a frame around the central text area and extending towards the corners. Small white dots are placed at the vertices of the triangles and at the corners of the central rectangular frame.

The background is black with white geometric line art. On the left, a vertical line descends from the top, with a horizontal line branching off to the left. This horizontal line then turns downward, forming a large, stylized 'L' shape. At the top of this 'L' is a large, elongated triangle pointing to the right, with three small circles inside. At the bottom of the 'L' is another similar triangle pointing to the right, also with three small circles inside. In the top right corner, there is a small right-angled triangle with three small circles. In the bottom right corner, there is another small right-angled triangle with three small circles. A central rectangular frame contains the text.

GRADUATION

CLASS SONG:

To dream the impossible dream;
To fight the unbeatable foe;
To bear with unbearable sorrow;
To run where the brave dare not go;
To right the unrightable wrong;
To love pure and chaste from afar;
To try when your arms are to weary
To reach the unreachable star--
This is my quest.
To follow that star,
No matter how hopeless,
No matter how far.
To fight for the right
Without question or pause;
To be willing to march into Hell
For a heavenly cause.
And I know if I only be true
To this glorious quest
That my heart will lie peaceful
And calm when I'm laid to my rest.
And the world will be better for this
That one man scorned and covered with scars
Still strove with his last ounce of courage
To reach the unreachable star.
